

Kick-Off (18 April - 19 April 2006)

[Read [report](#)]

- To assess the available (longterm) taxonomic information
- Special partner requirements
- Discuss options for technical implementation of online database networks e.g. distributed vs central systems
- practical session: examples of possible tools for demonstrations to partners (can include existing tools that might be introduced to PLANKTON*NET)

Accommodation

Accommodation will be provided in the AWI guest houses. Alternatively accommodation can be booked in a number of hotels. Bremerhaven can be reached by train from Hamburg, Bremen and Berlin all of which have international airports

Organizers

Dr. Alex Kraberg (akraberg@awi-bremerhaven.de)

Prof. Karen Wiltshire (kwiltshire@awi-bremerhaven.de)

Dr. Ana Macario (amacario@awi-bremerhaven.de)
